

ALuma Brite™

ALUMINUM CLEANER AND OXIDATION REMOVER

ALuma Brite is a special formulation of surface cleaners and acids designed to restore aluminum to a bright, clean appearance.

- Removes oxidation to restore a bright, clean aluminum finish
- Controlled rate of etching helps prevent streaking when working with large aluminum surfaces
- Easily removes concrete, exhaust soot and road film
- High foaming / clean rinsing formula has excellent sheet flow and rinses to bright luster finish
- Effective without scrubbing, buffing or polishing
- Removes white oxides, road film, scum and diesel smoke deposits

Restores aluminum

Great For

- Removing Oxidation
- Removing concrete residues
