

DCbright Goby

Vehicle-Mounted Spotlighting 6.300 - 7.200 lm

Unstoppable Light for Demanding Operations

The DCbright Goby Series delivers powerful, reliable illumination where you need it most. Engineered for extreme durability, these compact yet high-output LED work lights provide up to 7,200 lumens of crisp, clear light. With rugged IP69K and IK10 protection, wide operating temperatures, and up to 360,000 hours of lumen maintenance, the Goby is built to perform in the toughest conditions. Flexible optics, multiple power options, and precise fixture adjustment ensure maximum visibility and efficiency for any application.

DCbright Goby – Small Size. Big Power. Maximum Reliability.
